**Training/Degrees:**

- M.Sc. in Biology (1983), University Greifswald, Germany
- Ph.D. in Life Sciences (1989), Humboldt-University, Berlin, Germany
- Venia legendi 'Humangenetik' (1999), Medical Faculty (Charité), Humboldt-University Berlin, Germany
- FAMH in Medical Genetics (April 2005)

**Positions:**

07/2010 - present	Director, Institute of Medical Molecular Genetics, University of Zurich, Switzerland
02/2009 – 06/2010	Director, Institute of Medical Genetics, University of Zurich Switzerland
05/2002 – 06/2010	Head, Division of Medical Molecular Genetics and Gene Diagnostics, Medical Faculty, University of Zurich, Switzerland (appointed January 14 <sup>th</sup> 2002)
05/2002 - present	Full Professor of Medical Molecular Genetics, Medical Faculty, University of Zurich, Switzerland
01/2001 – 04/2002	C3 position (Associate Professor), Max Planck Institute for Molecular Genetics, Dept. Ropers, Berlin, Germany
08/1995 – 12/2000	Group leader position (Assistant Professor), Max Planck Institute for Molecular Genetics, Dept. Ropers, Berlin, Germany
09/1990 – 07/1995	Postdoctoral fellow, Department of Human Genetics, University Hospital Nijmegen, The Netherlands
02/1987 – 08/1990	Postdoctoral fellow, Institute for Medical Genetics, Humboldt-University, Berlin, Germany
09/1983 – 01/1987	Postgraduate student, Central Institute for Molecular Biology, Academy of Sciences, Berlin-Buch, Germany
