

Thomas Euler

March 22, 1967 in Darmstadt, Germany

married

Work address:           Werner Reichardt Centre for Integrative Neuroscience (CIN)  
                              / Institute for Ophthalmic Research  
                              University of Tübingen  
                              Röntgenweg 11  
                              D-72076 Tübingen, Germany  
  
                              Phone: +49 (0)7071 29-85028  
                              Fax:     +49 (0)7071 29-5777  
                              Email:   thomas.euler@cin.uni-tuebingen.de

#### SCIENTIFIC CAREER

since 5/2009           CIN-Professor for Ophthalmic Research  
                              *Eberhard-Karls-University, Tübingen*

2009                    Offered a professorship (W3) at the University of Heidelberg

2007                    Offered a professorship (W2) at the University of Erlangen-  
                              Nürnberg

9/2006 – 4/2009      Research group leader in the Dept. of Biomedical Optics  
                              *MPI for Medical Research, Heidelberg*

6/2007 – 4/2009      Member of the IZN (Interdisciplinary Center for Neurosciences)  
                              *Ruprecht-Karls-Universität, Heidelberg*

3/2004                 Teaching certificate („Lehrzertifikat“)  
                              *Ruprecht-Karls-Universität, Heidelberg*

3/2000 – 8/2006      Research fellow  
                              Dept. of Biomedical Optics (Prof. W. Denk)  
                              *MPI for Medical Research, Heidelberg*

3/1997 – 2/2000      Post-Doctoral fellow (with Prof. R. H. Masland)  
                              *Harvard Medical School / Massachusetts General Hospital,*  
                              *Boston, MA, USA*

8/1996 – 12/1996    Post-Doctoral Fellow (with Prof. H. Wässle)  
                              Dept. for Neuroanatomy  
                              *Max-Planck Institute for Brain Research, Frankfurt/M.*

#### STIPENDS, FELLOWSHIPS

6/1998 – 2/2000      Post-Doctoral Research Fellowship,  
                              *Howard Hughes Medical Institute (HHMI)*

- 6/1997 – 5/1998 Post-Doctoral Research Fellowship  
*German Research Community (DFG), Bonn, Germany*
- 3/1997 – 5/1997 Post-Doctoral Research Fellowship  
*Massachusetts General Hospital, Boston, MA*
- 8/1996 – 12/1996 Post-Doctoral Fellowship  
*Max-Planck Society, Göttingen, Germany*

## EDUCATION

- 5/1993 – 7/1996 Ph.D. (Magna cum laude) in neurobiology  
*Johannes-Gutenberg University, Mainz*  
Work conducted at the *Max-Planck Institute for Brain Research (Dept. Neuroanatomy), Frankfurt/M.*  
Advisors: Prof. H. Wässle, Prof. C. Neumeier
- 4/1992 – 3/1993 Diploma (graduated in biology with highest honors)  
*Johannes-Gutenberg University, Mainz*  
Work conducted at the *Max-Planck Institute for Brain Research (Dept. Neuroanatomy), Frankfurt/M.*  
Advisors: Prof. C. Neumeier, Prof. H. Wässle
- 4/1988 – 3/1992 Undergraduate studies in biology (including physiology/zoology, genetics and biochemistry) and computer sciences  
*Johannes-Gutenberg University, Mainz, Germany*
- 8/1986 – 3/1988 Civil service, *Nieder-Ramstädter Heime, Darmstadt, Germany*
- 1977 – 1986 High school (Gymnasium), *Lichtenbergschule, Darmstadt, Germany*
