

**2nd Edition
with 17 languages
will be available soon**

IReST

International Reading Speed Texts

The 1st Edition was supported by the
European Commission under FP5,
QLK6-CT-2002-00214 AMD-Read

2nd Edition supported by

Alcon[®]

Standardized Measurement of Reading Speed

International Reading Speed Texts IReST

► The tool for an evidence-based procedure!

- Paragraphs of text (approx. 130 words per text)
- Same difficulty, content and linguistic characteristics in the different languages
- Set of 10 equivalent texts in each language for repeated measurements and international studies (Hahn et al, BJO 2006)

► Reproducibility

► Comparability

► Success documentation

► Now available in 17 languages
