Biographical Sketch:

J. Graham McGeownProfessor of Physiology

Deputy Director, Centre for Vision and Vascular Science
School of Medicine, Dentistry and Biomedical Sciences

Royal Victoria Hospital

The Queen's University of Belfast.

EDUCATION

Undergraduate: The Queen's University of Belfast; 1975-1982

BSc (Physiology) with Honours (1st class)

1979

MB, BCh, BAO with Honours 1982

Postgraduate: The Queen's University of Belfast; 1984-1987

PhD (Physiology) 1987

Positions and Honours:

RESEARCH AND PROFESSIONAL EXPERIENCE:

Dunville Professor of Physiology, The Queen's University of Belfast	2007-current
Reader in Physiology, The Queen's University of Belfast	2004-2007
Senior Lecturer in Physiology, The Queen's University of Belfast	1995-2005
Lecturer in Physiology, The Queen's University of Belfast	1984-1995
Fogarty International Research Fellow, Univ. of Massachusetts	1991-92
Medical Center, Worcester, Massachusetts	
Senior House Officer in Medicine, The Royal Victoria Hospital, Belfast	1983-84
Junior House Officer, The Royal Victoria Hospital, Belfast	1982-83

AWARDS AND HONOURS:

GL Brown Prize Lecturer, The Physiological Society	2010
Conway Prize Review Lecture and Medal,	
(Royal Academy of Medicine in Ireland)	2003
Hon Treasurer, The Physiological Society	2005-09
Council Member, The Physiological Society	2000-09
Fogarty International Research Fellowship (NIH)	1991-92
Robert Leathern Travel Scholarship (QUB)	1990

INVITED RESEARCH CONFERENCE PRESENTATIONS AND SEMINARS

- Invited Research Lecture: Rosalind Franklin University of Medicine and Science, Chicago; 2008
- Invited Conference Speaker: International Workshop on the Molecular Physiology of Membrane Transport and Cell Excitability, Yaremche, Ukraine; 2007
- 3. Invited Conference Speaker: Ion Channels and the Microcirculation, The Physiological Society Focussed Meeting, Belfast; 2007
- 4. Invited Research Lecture: Metabolic Regulation of Ion Channels in the Retinal Vasculature, The Physiological Society Network Meeting, Edinburgh, UK; 2007
- Invited Research Lecture: Department of Physiology, University of Pennsylvania, Philadelphia, PN; 2006
- Invited Research Lecture: Department of Pharmacology, University of Vermont, Burlington, VT; 2005
- 7. Invited Research Lecture: Department of Biomedical Sciences, Cornell University, Ithaca, NY; 2005
- 8. Invited Research Lecture: Kellog Eye Center, University of Michigan, Ann Arbor, MI; 2005
- Invited Research Lecture: Department of Physiology, University of Massachussetts Medical Center, Worcester, MA; 2005
- 10. Invited Research Lecture: Boston Biomedical Research Institute, Boston, MA; 2005
- 11. Invited Research Lecture: Cardiovascular Medicine, University of Manchester; 2004
- 12. Invited Research Lecture: Bute Medical School, St. Andrew's University; 2004
